Kraków Conference
on Endothelium, 2017

25th

Kraków Conference
on Endothelium, 2017

20th-21st October 2017
Kraków

May

9:00 Welcome address: **Prof. Maciej Małecki**
- Dean of Jagiellonian University
Medical College (Poland)
Introductory comments: **Prof. Stefan Chłopicki**

SESSION I | Chair: Prof. Stefan Chłopicki (Poland)

9:15-9:45 **Prof. Randy S. Sprague (USA)**
Red blood cells and regulation of endothelial function

9:50-10:20 **Prof. Andreas Daiber (Germany)**
Environmental noise is a cardiovascular risk factor
– mechanistic insights from studies in mice

10:25-10:55 **Prof. Georgios Paschos (USA)**
The circadian clock as an orchestrator of metabolism

11:00-11:30 **Coffee break**

SESSION II | Chair: Prof. Zoltan Papp (Hungary)

11:35-12:05 **Prof. Erzsébet Ravasz Regan (USA)**
Heterogeneity of endothelium

12:10-12:40 **Prof. Ajay M. Shah (UK)**
Unexpected roles of Nox4 in the cardiovascular system

12:45-14:05 **Lunch**

SESSION III | Chair: Prof. Adam Szewczyk (Poland)

14:10-15:10 **Invitation to posters session, part 1**

SESSION IV
15:10-16:40 **Poster session**

SESSION V | Chair: Prof. Bruno Podesser (Austria)

16:45-17:15 **Dr. Pipsa Saharinen (Finland)**
Regulation of vascular stability via the Angiopoeitin-Tie
system in inflammation

17:20-17:50 **Dr. Roberto Motterlini (France)**
Vascular and anti-inflammatory activities of carbon
monoxide-releasing molecules (CO-RMs)

17:55-18:25 **Prof. Tilo Grosser (USA)**
Vascular biology of COX inhibition

19:00 **Dinner in the restaurant “Miód i Wino”,
Sławkowska 32, Kraków**

21st October 2017

SESSION VI | Chair: Prof. Włodzimierz Buczko (Poland)

9:00-9:30 **Prof. Derek Hausenloy (UK/Singapore)**
Microvascular obstruction following acute myocardial
infarction: an unmet target for cardioprotection

9:35-10:05 **Prof. Tomasz Guzik (Poland/UK)**
Inflammation, endothelial dysfunction and hypertension

10:10-10:40 **Prof. Philip Wenzel (Germany)**
Inflammatory monocytes, gut microbiota and vascular
(dys)function

10:45-11:15 **Coffee break**

SESSION VII | Chair: Prof. Ryszard T. Smoleński (Poland)

11:20-12:20 **Invitation to posters session, part 2**

SESSION VIII
12:30-14:00 **Poster session**

14:00-15:25 **Lunch**

15:30-16:00 **Conference closing and poster awards ceremony**

Organizers:

Jagiellonian Centre
for Experimental Therapeutics
